MANITOBA
WATER POLO
ASSOCIATION

Strategic
Plan

VISION

Developing leaders and striving for excellence, in and out of the pool.

MISSION

The Manitoba Water Polo Association will, with our partners, build a safe, positive, and progressive sport environment for the growth, development, advancement and visibility of water polo in the province of Manitoba.

VALUES

Community, Accountability, Transparency, Respect, Innovative and Inclusive

WHO WE ARE

The Manitoba Water Polo Association Inc. is the non-profit governing body for the sport of water polo within the Province of Manitoba. The Manitoba Water Polo Association Inc. was incorporated in 1977 with the goals of increasing membership and promoting interest in the sport of water polo throughout the Province of Manitoba.

SPORT INITIATION

Increased Membership

PERFORMANCE PATHWAY

Increased participation and visibility in
National Championship League
programming

Host national and international events.

TECHNICAL LEADERSHIP

Recruitment and retention of coaches,
referees and minor officials

ORGANIZATIONAL EFFECTIVENESS

Recruitment of Board of Directors

Financial Capacity

Good Governance

Strategic Priorities

**Manitoba Water Polo is
aligning our goals with
that of Water Polo Canada.**

**This alignment helps
strengthen water polo in
Canada.**

Together, we are stronger!

**Our
Goals** >>

manitobawaterpolo.com

MWPA and clubs will
have accumulated a
financial reserve to
sustain their
operations and have
yearly balanced
financial statements.

We will have
significantly
increased our
talent pool of
athletes

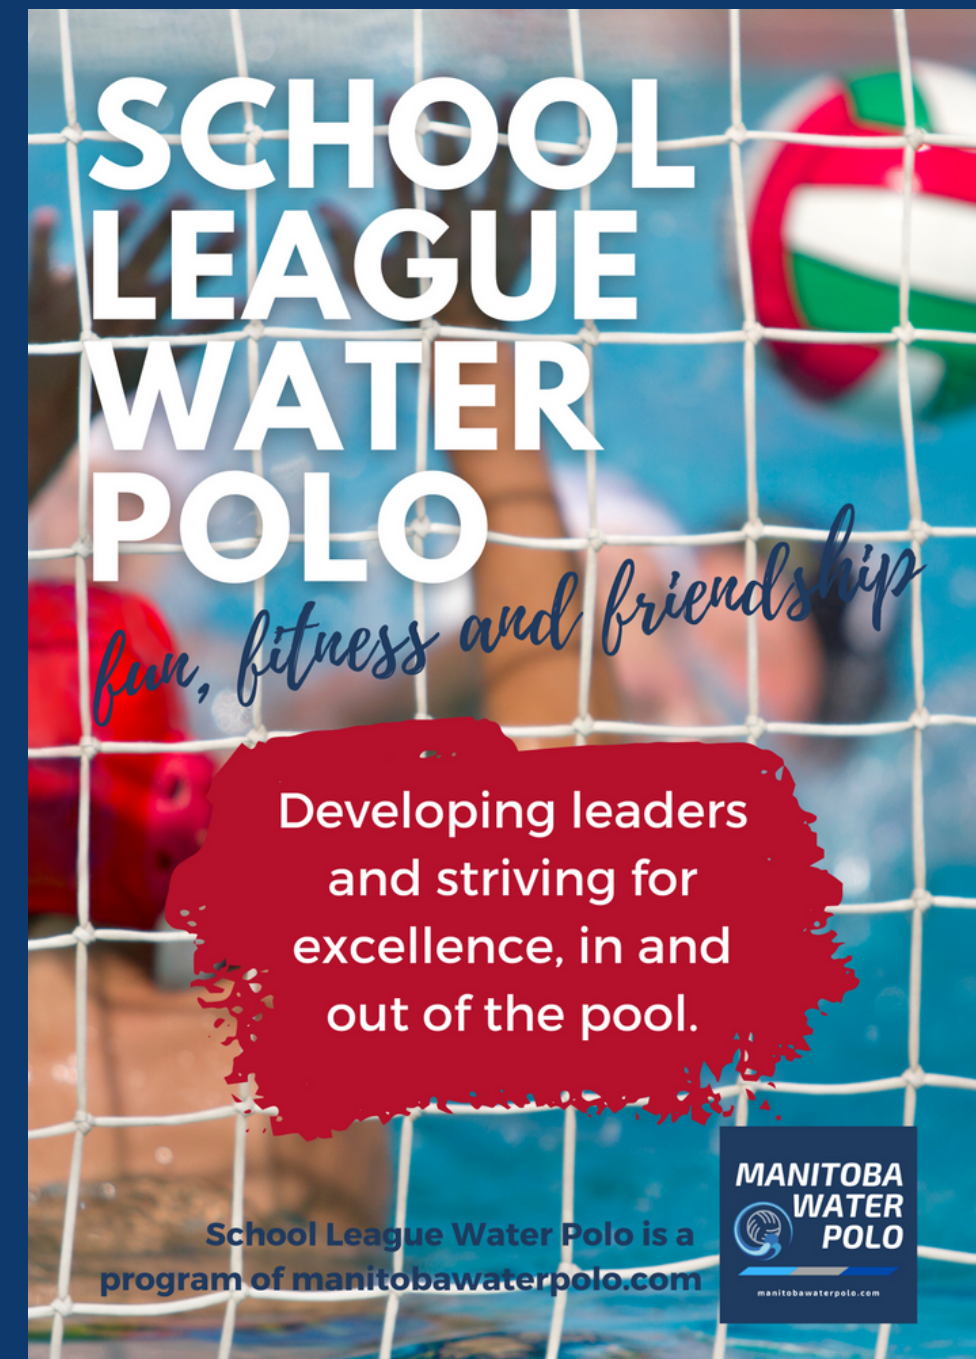

MWPA and clubs will
have developed and
adopted best
governance,
operational and
business practices.

GOALS

Continued increase
and retention of
certified coaches
and officials and
volunteers

Continued increase and
retention of participants in
water polo
activities and members in
WP organizations at all
Long Term Athlete
Development (LTAD)
stages and in all
regions of Manitoba.

Our volunteers and
professional staff stay
longer in MWPA clubs
and develop better
skills and competencies.
