PLEASE JOIN US IN WELCOMING OUR NEW EXECUTIVE DIRECTOR

NICOLLE MOSKVEN

Nicolle has a diploma in Business Administration with a major in financial administration for not-for-profit organizations.

She comes to us with a wealth of experience, having spent 16 years as the Executive Director of Speed Skating Manitoba and also short terms with Karate Manitoba and the Manitoba Weightlifting Association.

Nicolle left her Executive Director roll with Speed Skating Manitoba seven years ago to be closer to home with her son and to take on new challenges, but came to realize that she missed sport administration too much!

In her free time, she coaches soccer, is a team manager for hockey, and is also the President of the Board for the Landmark Recreation Centre.

Nicolle is passionate about educating the public about sport as well as the physical, mental and emotional development of each athlete.

She believes in empowering people to be the best versions of themselves.

Nicolle is excited to get started and meeting you on the pool deck in the fall!

### Swim Like a Dolphin

We had a very successful pilot program at the East Kildonan YMCA teaching young people how to swim and to play water polo. We are working on expanding this program in the fall!

**Thank you to Coach Luke** for leading the program.

## FAREWELL TO BRUCE ROSE

**After fourteen years, our Executive Director has decided to take his leave and start a new chapter. We will miss him terribly but wish him well.**
